President's Message

As we all know, professional development is a lifetime process, the so-called “race without a finish line”. One of the many benefits of membership in the Boston Chapter of the AGA is the opportunity to participate in an extensive professional development and training program.

These opportunities are communicated through mechanisms such as the website (www.agaboston.org), the monthly newsletter, and individual email announcements. The Education Committee, headed by Julia Burns, does a great job developing an annual plan that includes at least one, and often more than one, educational event each month. The Committee relies upon the feedback and priorities of the members in planning the program, so if you have a particular topic you would like to see them address, I encourage you to contact them.

Sometimes these events are conducted in a meeting format, face to face, with invited speakers appropriate to the topic. Other times these events are conducted virtually, via webcast. The costs for events is low (sometimes free for members), as we know everybody is challenged with constrained budgets. And the value is high, with expert speakers and CPE's commensurate to the length of the event. All members, and non-members, are advised to take full advantage of our educational programs.

As we approach the holiday season, I hope everybody has a happy, safe, and fulfilling holiday.

Bill Kilmartin

Dear Editor -

*I am 8 years old. Some of my little friends say there is no Santa Claus. Papa says, "If you see it in *The Sun*, it's so." Please tell me the truth, is there a Santa Claus?*

Virginia O'Hanlon

Virginia, your little friends are wrong. They have been affected by the scepticism of a sceptical age. They do not believe except they see. They think that nothing can be which is not comprehensible by their little minds. All minds, Virginia, whether they be men's or children's, are little. In this great universe of ours, man is a mere insect, an ant, in his intellect as compared with the boundless world about him, as measured by the intelligence capable of grasping the whole of truth and knowledge.

Yes, Virginia, there is a Santa Claus. He exists as certainly as love and generosity and devotion exist, and you know that they abound and give to your life its highest beauty and joy. Alas! how dreary would be the world if there were no Santa Claus! It would be as dreary as if there were no Virginias. There would be no childlike faith then, no poetry, no romance to make tolerable this existence. We should have no enjoyment, except in sense and sight. The external light with which childhood fills the world would be extinguished.

Not believe in Santa Claus! You might as well not believe in fairies. You might get your papa to hire men to watch in all the chimneys on Christmas eve to catch Santa Claus, but even if you did not see Santa Claus coming down, what would that prove? Nobody sees Santa Claus, but that is no sign that there is no Santa Claus. The most real things in the world are those that neither children nor men can see. Did you ever see fairies dancing on the lawn? Of course not, but that's no proof that they are not there. Nobody can conceive or imagine all the wonders there are unseen and unseeable in the world.

You tear apart the baby's rattle and see what makes the noise inside, but there is a veil covering the unseen world which not the strongest man, nor even the united strength of all the strongest men that ever lived could tear apart. Only faith, poetry, love, romance, can push aside that curtain and view and picture the supernal beauty and glory beyond. Is it all real? Ah, Virginia, in all this world there is nothing else real and abiding.

No Santa Claus! Thank God! he lives and lives forever. A thousand years from now, Virginia, nay 10 times 10,000 years from now, he will continue to make glad the heart of childhood.

Boston Chapter Education Recap

On October 21, 2010 over 110 Boston AGA Chapter Members and guests attended the our Fall Seminar at Lombardo's in Randolph.

The seminar had four different sessions discussing the "Many Faces of Fraud".

David Reardon, USPS Agent started the seminar by speaking on Mail and Postal Fraud. We discovered that the USPS covers many more issues than just delivering the mail.

Next US HHS Office of the Inspector General Staff personnel Michael Armstrong and Philip Coyne presented a session on Medicare Fraud. We heard many examples of different types of fraud including cases involving individuals hiding their ownership or financial interest in medical businesses.

After lunch Brian D Heslin, ICE Group Supervisor with Document and Benefit Fraud Taskforce will spoke on the Basics of Immigration Fraud. He listed many examples of the various types of fraud that are attempted every day in the ongoing immigration issues and the attempts to keep our country safe.

The final session was conducted by Dr. Richard Frasier, presenting on Handwriting Analysis. Dr Frasier showed and discussed many examples of cases that he has testified as a handwriting expert including a case held in the US Virgin Islands (beach pictures were included).

Seven CPE's were awarded for this full day of training along with an excellent lunch and great service from the staff at Lombardo's. Many of our participants listed this session and the line up of speakers as one of the best trainings that they have attended.

Our next training session will be an audio conference on November 17 on the subject of Achieving Transparency.

CEC Meeting Highlights

The Boston Chapter Executive Committee met on November 5, 2010. Please note the following:

Education: The calendar of events was reviewed with discussion centering on the good attendance for both the September 29th Audio Conference and the October 21st Fraud Seminar. We have focused on the first few events of the year but have also established a number of sessions for the Regional Professional Developmental Conference in March of 2011.

Treasurer: A brief review of the balance sheet was conducted. The draft budget for FY11 was also discussed identifying current and future sources of revenue, along with anticipated expenditures.

By-laws: We are now working on further updating our by-laws, to make them consistent with current reality.

Community Services: We discussed dinners that are to be served to Homeless Veterans on Veterans Day and the upcoming annual Holiday Fundraiser.

Accountability: We have discussed several ideas. The major action item is to find the right person for Director to drive this area, and support that person with a committee.

CGFM, Membership, and Early Careers: Membership has increased by 4% (223) since late July. We are contacting suspended members via letters and telephone with the goal of making their status to be active again. Five universities/colleges were contacted to participate in the early careers initiative.

Sponsorship Opportunities: Discussions centered on creating opportunities for corporate sponsorship. Discussions included offering various levels of sponsorship (i.e. bronze, silver, gold) and event sponsorships. A discussion memo was drafted to evaluate and determine the best direction to go. The Executive Committee agreed that this is an item we wish to pursue.

The next meeting is scheduled for Tuesday, Dec. 7.

How Do I Maintain a CGFM?

To retain the CGFM certification, all CGFMs must adhere to the AGA's *Code of Ethics*. In addition, to continue using the CGFM designation after their name, CGFMs must be in an active status.

To maintain the CGFM certification in an active status, CGFMs are required to:

- Pay the CGFM renewal fee by the due date every year.
- Complete at least 80 hours of continuing professional education (CPE) every two years in government financial management topics or related technical subjects (within the designated two-year cycle).
- Maintain and, if requested by AGA, provide detailed information on CPE hours completed.
- By submitting their annual renewal payment, CGFMs affirm that they have and will continue to abide by AGA's *Code of Ethics* and that they have fulfilled the minimum CPE Requirements.

All active CGFMs must renew their certification annually. At the beginning of each year, invoices will be sent to all active CGFMs. Annual CGFM renewal payments are due by March 31. AGA reserves the right to periodically adjust the renewal rates.

CGFMs must promptly notify AGA of any change of mailing address. It is the responsibility of each CGFM to pay the annual CGFM renewal fee, even if that individual did not receive an invoice from AGA..

All active CGFMs are required to complete at least 80 hours of continuing professional education (CPE) every two years in government financial management topics or related technical subjects. The 80 CPE hours must be completed within the CGFM's two-year CPE cycle
