

**CY 2018 WALTER FRESE SCHOLARSHIP APPLICATION PROCESS**

The **Association of Government Accountants (AGA) – Boston Chapter** is pleased to offer one (1) **Walter Frese Memorial Scholarship** of \$1,500 to a high school, undergraduate, or graduate student enrolled or will be enrolled as an undergraduate/graduate student for 2018 in a financial management-related program.

**Background:** The late Walter Frese was one of the original 59 Charter Members and one of the original nine Directors to serve on the National Board of the Association of Government Accountants (AGA). Mr. Frese was the second National President of the organization, serving from 1951 to 1952. The American Institute of Certified Public Accountants (AICPA) paid special recognition to Walter in its 100<sup>th</sup> Anniversary issue of the Journal of Accountancy. Mr. Frese’s career included the United States Department of the Treasury, the United States General Accounting Office, and the Harvard School of Business.

**Eligibility:** Applicant must be (or will be) enrolled for 2018 as an undergraduate/graduate student in a program relating to financial management. This will include (but not necessarily be limited to) majors in accounting, business administration, finance, information technology, and economics. In addition, graduate student applicants are considered eligible as long as the applicant is currently working in a government accounting/auditing/finance position. *Note: Applicants must be a New England area resident or be enrolled in a New England area college.*

**Award Criteria:** Recipients will be selected based on scholastic achievement, leadership qualities, extracurricular activities, reference letter, writing ability, and an expressed interest in the field of government accounting, auditing or financial management.

Please respond to the following question: Essay on Ethics - Being ethical, and understanding ethics and ethical principles is of growing importance in today's workplace, in both the public and private sectors. In today's business climate, ethics is more than simply taking the moral high road—it is a matter of self-preservation. In your work to resolve allegations of fraud, you might encounter ethical issues that require you to look beyond the technical requirements of your job and toward the moral dimensions. Why is ethics important in both academics and the work place?
